## CAROL F. ZIMMERMAN, M.D. LECTURESHIP IN NEURO-OPHTHALMOLOGY

Distinguished Guest Speaker

**ALFREDO A. SADUN, M.D., PH.D.**

*Thornton Chair, Doheny Eye Institute  
Vice-Chair, Department of Ophthalmology  
University of California at Los Angeles  
Los Angeles, CA*

**Saturday  
September 26, 2015**

*T. Boone Pickens Biomedical Building  
UT Southwestern Medical Center  
Dallas, Texas*

**UT Southwestern**  
Medical Center

*Sponsored by:*

*UT Southwestern Department of Ophthalmology  
and the Office of Continuing Medical Education*

# CAROL F. ZIMMERMAN, M.D.

## LECTURESHIP IN

### NEURO-OPHTHALMOLOGY

#### COURSE DIRECTOR

**R. NICK HOGAN, M.D., PH.D.**

*Professor of Ophthalmology, Pathology, Neurological Surgery,  
and Neurology and Neurotherapeutics  
UT Southwestern Medical Center  
Dallas, TX*

#### TARGET AUDIENCE

This symposium is designed for ophthalmologists, neurologists, neurosurgeons and other physicians and health care providers interested in neuro-ophthalmic disorders, including diagnosis and therapy.

#### PURPOSE AND CONTENT

The purpose of this program is to provide the most up-to-date information on neuro-ophthalmic problems and educate the medical community in areas of particularly common or difficult neuro-ophthalmic issues so as to better prepare the clinician should they encounter a patient with such a problem. It is particularly important for the primary clinician to be aware of these topics since a referral to a neuro-ophthalmic specialist cannot always occur in a timely fashion (due to practitioner scarcity).

#### EDUCATIONAL OBJECTIVES

At the conclusion of this course, participants should be able to link the educational objectives to Core Competencies (Medical Knowledge and Patient Care) and be able to:

- Identify mitochondrial optic neuropathies and utilize diagnostic tools for new treatment approaches
- Identify the neuro-ophthalmic complications of a stroke and the approach to treatment
- Discuss diagnosing and treating optic nerve gliomas in patients with neurofibromatosis type 1 (NF1)
- Discuss how to approach neuro-ophthalmic problems in an environment without modern diagnostic tools and tests

#### ACCREDITATION

The University of Texas Southwestern Medical Center is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

#### CREDIT DESIGNATION

The University of Texas Southwestern Medical Center designates this live activity for a maximum of **3.0 AMA PRA Category 1 Credits™**. Physicians should only claim credit commensurate with the extent of their participation in the activity.

#### CONFLICT OF INTEREST

All persons in the position to control the content of an education activity are required to disclose all relevant financial relationships in any amount occurring within the past 12 months with any entity producing, marketing, re-selling, or distributing health care goods or services consumed by, or used on patients. A primary mechanism to resolve identified conflicts of interest is a content review that is performed prior to the activity.

#### AGENDA

##### SATURDAY, SEPTEMBER 26, 2015

- 8:30 am **Registration & Continental Breakfast**
- 9:00 am Welcome  
– R. Nick Hogan, M.D., Ph.D.
- 9:10 am Optic Gliomas in Neurofibromatosis Type 1  
– Laura Klesse, M.D., Ph.D.
- 9:45 am Update in Stroke Prevention and Therapy  
– Mark Johnson, M.D.
- 10:20 am Neuro-Ophthalmology in a Third  
World Environment  
– Trevor Kerr, M.D.
- 10:50 am **Break**
- 11:00 am 2015 CAROL F. ZIMMERMAN, M.D.  
MEMORIAL LECTURE  
  
Update on Mitochondrial Optic Neuropathy:  
From Lebers to Linezolid and What these  
Diseases Teach us about Basic Biology  
– Alfredo A. Sadun, M.D., Ph.D.
- 12:00 pm Presentation of Zimmerman Plaque
- 12:15 pm **Adjourn**

#### DISCUSSION OF OFF-LABEL USE

This course is meant to educate physicians with what is currently in use and what may be available in the future. There may be “off-label” use discussed in the activity. Speakers have been requested to inform the audience when off-label use is discussed.

#### REFUND POLICY

No refunds will be made.

#### REGISTRATION

The registration fee entitles the participant admission to the conference, a continental breakfast, break refreshments and all course materials.

#### CANCELLATION POLICY

UT Southwestern / Department of Ophthalmology reserves the right to limit registration and cancel courses, no less than one week prior to the course, should circumstances make this necessary.

*We gratefully acknowledge the financial support from:*  
**The Carol F. Zimmerman, M.D. Lectureship Fund**  
*at the University of Texas Investment Management Company*

## CAROL F. ZIMMERMAN, M.D. LECTURESHIP IN NEURO-OPHTHALMOLOGY

### LOCATION

UT Southwestern Medical Center  
T. Boone Pickens Biomedical  
Building Auditorium  
6001 Forest Park Road  
Dallas, Texas 75390

### PARKING

Parking is available in the visitor garage located adjacent to the T. Boone Pickens Biomedical Building. It is entered from 6001 Forest Park Road. The garage elevators will take you to the third floor (street level). Follow the directional signs to the conference room.
