

NANOS AAO Committee

Chairs: *Dr. Peter Quirós and Dr. Madhura Tamhankar*

Committee Tasks:

Creates and oversees the NANOS-sponsored Neuro-Ophthalmology educational programs at the AAO – Sub-Specialty Day and the NANOS Symposium

-Serve as an Educational Liaison with the AAO

Committee Goals:

1. To help inform and educate practicing ophthalmologists on neuro-ophthalmic eye diseases.
2. To foster the development of future Neuro-Ophthalmologists by exposing medical students and ophthalmology residents to the broad scope of neuro-ophthalmic practice .

What's NEW in 2024!

Neuro-ophthalmology subspecialty day will be held every year at the AAO starting in 2024
