New Knowledge in Neuro-ophthalmology Committee

Who we are

Heather Moss (Chair)
John Chen (Vice-chair)
Rob Avery
Laura Balcer (JNO)
Tariq Bhatti
Melissa Ko
Nancy Newman
Victoria Pelak
Peter Quiros
Bob Shin
Prem Subramanian

What we do

- Comb the literature for articles of interest to neuro-ophthalmology
- Collaborate with social media & digital strategy committee and NANOS staff to post on the NANOS social media streams
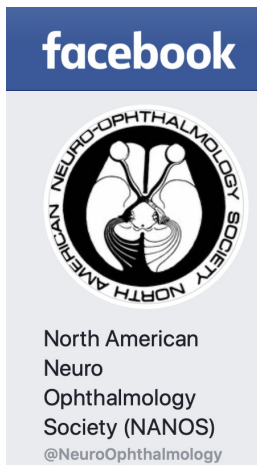

Want to benefit?

To receive updates follow
- North American Neuro Ophthalmology Society on Facebook
- @NANOStweets on X (formerly known as twitter)

Want to help?

If you have an article (including your own) you'd like to nominate, send Heather (hemoss@stanford.edu) or John (Chen.John@mayo.edu) the following:

- The URL for the article

- Clever posting text

- If you don't feel ready to channel your inner influencer, just send the URL and we'll take it from there
