Billi Wallace

The Meeting planning process is year-round and begins shortly after the Annual meeting ends. It's YOUR meeting, reach out to committee members or the Executive Office with your comments and suggestions early!

April	SPC reviews prior meeting data and proposes preliminary topic outline - Call for optional symposia
May	SPC meets to refine topic outline and review optional symposia proposals
June	SPC sends preliminary program to board for comments and approval - Program moderator and faculty invites sent
July	Program faculty finalized, disclosures due
September	Faculty outlines due (moderator review)
November	Faculty syllabus contributions due (moderator review)
January	Faculty Slide sets due (moderator review)
February	Faculty final slide sets uploaded
March	Annual Meeting - cycle repeats!

*The President-Elect is charged with the planning of the Annual Meeting and always chairs this committee for their 2-year term
