

# ADVOCACY COMMITTEE

## Our Audience:

The public, health care professionals and public & private decision-makers

## What We Do:

- Address legislative and/or national policy changes impacting NANOS and its members.
- Align with the Board to develop official NANOS policy on legislative issues.
- Enhance strategy for promoting the viewpoint and professional interests of NANOS.
- Collaborate with other national medical organizations to align with our goals.
- Encourage and equip the membership to become involved in Advocacy.

## Your Committee Leadership

**Co-Chairs:** Melissa Ko  
**Vice-Chair:** Chris Glisson  
Barbara Yates

**Organizational Arm Officer:**  
Lynn Gordon

**At-Large Liaison:**  
Ore-Ofe Adesina

## Our Purpose:

To drive awareness of the impact of neuro-ophthalmic care

- improved outcomes
- increased quality
- optimized healthcare cost-effectiveness

To represent and promote the best interests of the NANOS membership

- emerging social and legislative changes
- compensation models
- national standards, including certification and scope-of-care
