

Neuro-Ophthalmology Pipeline Committee

Our purpose is to drive trainees' interest towards the field of neuro-ophthalmology and to actively encourage application into our fellowship programs.

Foster the development of future Neuro-Ophthalmologists by increasing medical students' early exposure to the field and promoting mentorship

Outreach to ophthalmology and neurology residents

TASKS

Increase exposure to Neuro-Ophthalmology fellowships through various channels

Create and update the section on website for students and residents

Co-chair: Aimee Szewka
Co-chair: Julie Falardeau
