CAROL F. ZIMMERMAN, M.D.
Lectureship in Neuro-Ophthalmology

Distinguished Guest Speaker
MICHAEL WALL, M.D.
Director, Iowa Visual Field Reading Center
Professor of Neurology
Professor of Ophthalmology and Visual Sciences
Carver College of Medicine
University of Iowa
Iowa City, IA

Saturday, October 5, 2019
T. Boone Pickens Biomedical Building
UT Southwestern Medical Center
Dallas, TX

Sponsored by:
UT Southwestern Department of Ophthalmology
and the Office of Continuing Medical Education
Course Directors

R. Nick Hogan, M.D., Ph.D.
Professor of Ophthalmology, Pathology, Neurological Surgery, and Neurology and Neurotherapeutics
UT Southwestern Medical Center, Dallas, TX

James P. McCulley, M.D., FACS, FRCophth(UK)
Professor and Chair, Department of Ophthalmology
The David Bruton, Jr. Chair in Ophthalmology
UT Southwestern Medical Center, Dallas, TX

Target Audience
This symposium is designed for ophthalmologists, neurologists, neurosurgeons and other physicians and health care providers interested in neuro-ophthalmic disorders, including diagnosis and therapy.

Purpose and Content
The purpose of this program is to provide the most up-to-date information on neuro-ophthalmic problems and educate the medical community in areas of particularly common or difficult neuro-ophthalmic issues. It is particularly important for the primary clinician to be aware of these topics, since a referral to a neuro-ophthalmic specialist cannot always occur in a timely fashion (due to practitioner scarcity).

Educational Objectives
Upon conclusion of this course, participants should be able to link the educational objectives to Core Competencies (Patient Care, Medical Knowledge, Professionalism, and Quality Improvement):

- Assess the psychiatric manifestations patients undergo when facing impending blindness
- Discuss how blind patients cope with their diagnosis and disability
- Identify the details of perimetry testing
- Describe how to improve perimetry testing methods

Accreditation
The University of Texas Southwestern Medical Center is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Credit Designation
The University of Texas Southwestern Medical Center designates this continuing education activity for a maximum of 2.25 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Conflict of Interest
All persons in the position to control the content of an education activity are required to disclose all relevant financial relationships in any amount occurring within the past 12 months with any entity producing, marketing, re-selling, or distributing health care goods or services consumed by, or used on patients. A primary mechanism to resolve identified conflicts of interest is a content review that is performed prior to the activity.

Discussion of Off-Label Use
This course is meant to educate physicians with what is currently in use and what may be available in the future. There may be “off-label” use discussed in the activity. Speakers have been requested to inform the audience when off-label use is discussed.

Registration
The registration fee entitles the participant admission to the conference, a continental breakfast, break refreshments and all course materials. Please register early. We cannot guarantee course materials on-site to anyone registering later than one week prior to the course. Registration fees are as follows:

- $30 Prepaid before September 27th
- $60 On-Site Payment

Refund Policy
No refunds will be made.

Cancellation Policy
The Department of Ophthalmology and/or the Office of Continuing Medical Education reserves the right to limit registration and cancel courses, no less than one week prior to the course, should circumstances deem this necessary.

Location
UT Southwestern Medical Center
T. Boone Pickens Biomedical Building Auditorium
6001 Forest Park Road
Dallas, Texas 75390

Parking
Parking is available in the visitor garage located adjacent to the T. Boone Pickens Biomedical Building. It is entered from 6001 Forest Park Road. The garage elevators will take you to the third floor (street level). Follow the directional signs to the conference room.

Accommodations
The following nearby hotels are suggested. Please ask for the UT Southwestern rate when making reservations:

- Hilton Anatole Hotel 2201 Stemmons Freeway
  Dallas, TX 75207
  214-748-1200
- Crowne Plaza Hotel 7050 Stemmons Freeway
  Dallas, TX 75247
  214-630-8500
