

The NANOS Women In Neuro-Ophthalmology (WIN) Committee

Our committee purpose is to mentor female members of NANOS and guide women planning careers in Neuro-Ophthalmology.

What does WIN do?

1. Advise/assist younger members entering N-O, as well as residents who may be contemplating N-O
2. Inform WIN members about criteria for NANOS Fellowship and encourage application
3. Encourage WIN members to become involved in NANOS committees and leadership
4. Develop tools to help WIN members with career planning, including negotiations. Advise/assist members regarding academic promotion
5. Foster collaborations in research and teaching
6. Strengthen relationships with other groups such as WIO, AAMC, GWIMS, etc.
7. Work with Development Committee to obtain funding for future programs
8. Periodically monitor and assess strategic goals developed by the WIN

Please join us for the 2019
WIN Forum

LeadHERship: A Call to Thought and Action

Monday March 18 from 12:00-1:00
in the Pavilion Ballroom
Everyone is welcome

New in the last year!
